

Sundays at NAC:

- **August 19: "Add to your faith... godliness"**
- **Sept. 16: Anniversary Sunday**
- **Sept. 30: Cell Festival**

The purpose of this e-update is to keep you informed, so you can be praying about what's happening at NAC.

Please be sure to pass this information on to your cell members by forwarding this email, and praying about these things when your cell meets.

Listening to God this week (Psalm 40)... It's the response of a person who has "re-discovered" his trust in God in the middle of trying times.

- V.1-2 Sometimes it seems like you have to wait a long time... but God ALWAYS hears and pulls us out of our despair
- V.3 The first step in God's deliverance is a spiritual awakening, to return from focusing on us, to worshipping Him... and announcing the goodness of God
- V.4-5 It's a powerful discovery to realize -again- that it's better to put our trust in God than in any other possible solution.
- V.8 The effect of spiritual awakening is a desire to serve God, and follow His instruction
 - V10 And to tell everyone about God's faithfulness
 - V11-13 And to continue to seek God's deliverance in the other areas of difficulty

This week's promise from God: "God's constant love and truth will always guard you." *Psalm 40.11*

- **Post-surgery news about [Linda Cassidy](#):**
Linda's sister reports that her surgery went well, and the doctor report that "all his objectives were met." There is a long period of recuperation ahead, so please pray for continued strength, emotionally and physically, for Linda and Gord, and their whole family, and for Jesus' healing touch in Linda's body.
- **Note from Linda Hurren:** "...thanks for all the prayer support. Adrian is recovering very well, although he has not been given the all clear yet as they still do not know if they have got all the cancer out. If people can continue to pray for complete healing, and that Adrian is led by the Holy Spirit to become a Christian

My prayer for you for this week:

- That God will restore your soul this week by reminding you, regardless of your circumstance, that he loves you and is walking through your experience with you
- That He will restore your worship life, but putting His song in your mouth, and helping you see Him as greater than your current circumstance.
- That God will take any amount of trust you place in Him, and multiply it in terms of deliverance in the other areas of your life.

IAN
